

Data Privacy Notice

Who we are.

We are Excel Structures Ltd. We collect, process and use customer, stakeholder and partner data for the purposes of delivering the design, supply and installation of factory manufactured building systems within the UK.

Your details.

This notice forms part of as part of the General Data Protection Regulations (GDPR). GDPR, which came into force on 25th May 2018 in the UK and EU. Contact data relating to you at your place of work may be in our possession.

The data that we hold.

Included in the data may be your name, correspondence address, email address and telephone numbers. The GDPR classes your name as personal data. The email address, if it includes your name, is also classed as personal data.

What do we do with the data.

We will use the data to correspond in relation to an enquiry to us (where you have offered information to us via a trade show, our website or as a result of direct contact with us) or by way of communication relating to an ongoing project. The lawful basis we use for this processing is "Legitimate Interest" for undertaking our obligations for the performance of a "contract" or provide a quotation and or advice. This is covered in the GDPR Article 6(1)(b). The Information Commissioner's Office (ICO) recommend that companies using this basis conduct a "Legitimate Interests Assessment" (LIA), and we have done this.

Where does the data come from.

Your data was provided by you via our website, at a trade show or as a result of your direct contact or referral to Excel Structures Limited.

Your right to object.

You have the right to object to the processing of your personal data. The quickest way to do this is to opt out by emailing enquiries@excelstructures.co.uk We are the Data Controller in respect of this use of your data. You may ask for the data specific to your records in the form of a Data Subject Access Request.
